

Food Truck Row Fair Menu Project

We share a passion for hospitality, it's at the foundation of everything we do. We embrace our responsibility to NCCU, our community, and our students. "The people-first approach"

The Food Truck Row Fair Menu Pricing Project is geared towards making sure our students and faculty here at North Carolina Central University are receiving fair pricing for the products and services we are offering.

1. Food trucks are required to create 4-6 combo items to offer for Food Truck Row.
2. Each combo should consist of a (Main item and Side Item) adding a drink to your combo is optional.

- Menu Price should not exceed \$25 unless approved by Aramark Hospitality.

- Drinks are not included in your 5 combo items these are considered an add-on.

- Drink prices should not exceed \$12 unless approved by Aramark Hospitality.

- All customizations' options are to be limited to at least 6 options.

1. Combo Pricing does not apply to Dessert food trucks.
2. Dessert Trucks are required to pick at least 5-8 menu items.

- Each dessert menu price should not exceed \$14 unless approved by Aramark

Hospitality.

- Drinks are not included in your 5 combo items these are considered an add-on.

- Drink prices should not exceed \$12 unless approved by Aramark Hospitality.

- All customizations' options are to be limited to at least 6 options.

At no time should automatic tips be added into customers' order

Menu selections will apply for all Food Truck Row events unless otherwise specified by

Aramark Hospitality

All menu items should be priced fairly. Price gouging is not acceptable.
